

**Course Title: INTRODUCTION TO KEYBOARD (I-MMKB) WORKSHOP
(New Course)****Course Duration: 1 Full-Day (9am to 4pm)****Entry Requirements: Completed MMKB YEAR 1****Course Fees RM560 (RM Five hundred sixty only)****Course Description:**

The Introduction to Music Makers: At the Keyboard (I-MMKB) is suitable for children from age 5 ½ to 6 (five and a half to six) years. It is an excellent way to both **(a)** attract new families to the Keyboard program and **(b)** to delay parents and children who want to rush into the *Music Makers: at the Keyboard* class too soon. From a technical perspective, I-MMKB will lay a good foundation for the children who will be attending MMKB Year 1, making it much easier to teach them.

Salient features of the I-MMKB course are:

- Capitalizes on the children's love of active music-making through singing games, drumming activities, and dancing
- Engages children in the delightful framework of making music with their peers!
- Focuses on nurturing the children's music aptitude, while teaching them keyboard skills at an appropriate pace
- Includes fun workbooks and a delightful CD with tracks for echoing, drumming, dancing and singing.

Workshop Materials:

- Teacher's Guidebook – 1 Book
- Children's Fun Books
- Audio CD

Course Fees includes all the abovementioned materials, coffee break and lunch.
