## **MUSIKGARTEN CLASS - RULES TO BE OBSERVED**

Dear **Parents**,

We would like everyone to enjoy the music class. But we all know that children have their good days and bad days. In the interest of all parents and children attending the music class, we would be grateful if the following rules and guidelines are observed closely:

- 1. Be on time. Classes begin promptly. Why? Children will get restless and run around when they wait too long for the class to get started.**
- 2. Hand-phones are strictly not allowed in the class. Remember to turn them off or switch to silent mode.**
- 3. Avoid bringing toys into the class.**
- 4. Avoid bringing food or drinks to the class. Feed children before coming to class.**
- 5. If your child is toilet trained, take him/her to the toilet before class begins. Put on a diaper if the child is not toilet trained yet. If diapers need to be changed, please dispose them properly in the bins provided.**
- 6. Please throw away tissue paper and other litter in the waste disposal bins provided.**
- 7. Avoid personal conversations with other parents during class.**
- 8. Do not force or manipulate your child's hands to participate. They will do so on their own when they are ready. Encourage but do not force.**
- 9. If the children run from the circle, get up and follow them and try to return to the circle. Do not raise your voice or shout at the child or force him/her to sit down.**
- 10. Quietly take your child outside the class during prolonged crying spells or disruptive behaviour. Do not scold the children. Give them time to recover and then come back to class.**
- 11. Parents should participate in the activities in the class. Why? Children learn from watching and imitating you!**
- 12. Try to reinforce activities at home with your children in your own and your child's special way. Listen to the songs in the CD and sing together with them. Make it a fun activity for the family.**

Thank you very much for your co-operation.

**MUSIKGARTEN TEACHER**
